

**2014-2015 ANNUAL APPEAL
HELP US FINISH THE WWTP CAMPAIGN!**

GOAL OF \$100,000 TO WRAP UP THE PROJECT COSTS

Please donate today!

OLT members have generously contributed nearly \$50,000 toward this WWTP campaign since 2013. OLT used operating revenues to supplement these campaign donations to fund this project in addition to a loan. **We still have \$100,000 left to pay off the WWTP project and hope you will help us wrap up this project in 2015.** Large capital infrastructure expenses, like the Wastewater Treatment upgrades, stretch OLT's Operational Budget to the max, thus our need for a continued Annual Appeal "ask" to help complete the costs on this over-and-above expenditure. This project, while not glamorous, supports your OLT experience of serene landscapes and soothing waters with much needed renovations for life's basic necessities! Thanks for partnering with us by contributing to the completion of this project.

Any Annual Appeal gift for the WWTP project will increase your Membership Level and related Member benefits accordingly (see below)
